FORM D  
Board of Regents, State of Iowa  
April 22, 2015  

Annual Listing of Reviews of Centers and Institutes

THE PURPOSE OF REVIEW OF CENTERS AND INSTITUTES: Board of Regent’s Policy (§6.06F) requires that each Regent university review each center or institute once every seven years to help ensure that the center or institute being reviewed is still relevant, of the highest quality, and consistent with the institution’s mission and strategic plan. A special focus of the reviews is on assessing the need to continue the center or institute.

Please do not use acronyms when completing the form without defining them.

1. Institution ____________________________________________

2a. Title of center or institute: ____________________________________________
2b. Date center or institute was created: ________________________________
2c. Date(s) center or institute was last reviewed: ____________________________

3a. Is this center or institute dependent on external funds?   Yes _____  No _____
3b. If yes, how will the loss of external funds affect the center or institute?

4a. Has there been a change in the administrative relationship of the center or institute to other entities on campus?         Yes _____  No _____
4b. If yes, please explain the reasons for this change and how this affects the center or institute.

6a. If new, has the center or institute met all the goals and objectives planned at the time it received planning approval by the Board of Regents?     Yes _____  No _____
6b. If not, why not?

7. Identify the goals and objectives of the center or institute.

8. What external relationships with other postsecondary institutions, business and industry, government agencies, or other organizations support the center or institute?

9. List the recommendations and conclusions resulting from this review.

10. List the improvements resulting from this review.
